**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

My business benefits from using Sonic.net services and we would be materially affected without the choice they offer.

They are much more customer service oriented than the larger businesses and provide a much better product. Bridge 2 Broadband is an essential ingredient in the mix. For our rural community it is survival.
